

# IDENTITY L1

## Designed to last, easy to use

### Single-sheet dispensing system

Two new single-sheet toilet paper dispensers join the Identity range. They take all compatible Lucart Professional centre-pull paper refills, in both Fiberpack® and pure cellulose, as well as featuring the unique and distinctive family feeling shared by the entire Identity line.

#### Identity L1

The Identity range introduces a new single-sheet toilet paper dispenser: sturdy, easy to use and refill, plus all the benefits of single-sheet dispensing. All without sacrificing Identity's signature design!

#### Identity L1 Double

High traffic? No worries with the new L1 Double dispenser! It holds two rolls at the same time, both in use, thanks to the double paper outlet: twice the paper capacity and twice the availability for guaranteed continuous service. Double the benefits of single-sheet dispensing with all the style of Identity.
