Disinfectant Surface Wipes

100% Biodegradable Wipes

Combining top-level antibacterial testing with excellent biodegradable properties, these Uniwipe Bio Clinical wipes are the perfect tool for cross-contamination avoidance and infection prevention.

Tested to EN14476 and EN16615, they're effective to the highest levels against bacteria, enveloped viruses and yeast. Plus they're safe on all surfaces, including food areas - making them very versatile for a range of applications and environments.

Dermatologically tested.
